## Our History

For years Mary H. Scull kept track of a busy family and social schedule on a homemade calendar. These neat uncomplicated pages were drawn up for her by her draftsman husband, David E. Scull. They gave several of these homemade calendars to family and friends at Christmas time and thus started a tradition and a business that has seen these simple record-keeping sheets used and cherished by people in many parts of the world.

Scull Studios has been sending out the Scull-Craft Engagement Calendars for 75 years now. The Scull-Craft Calendars continue their classic role in your on-going family history.

---

“Thank you very much for continuing a wonderful tradition. I grew up with these calendars and 56 years later it’s a comfort to have such a ‘constant’ in a world of change.”

—Jill Woodbeck, MN

## Quantity Prices

Over the years we have tried to give our customers the benefit of our quantity prices. Your accumulated total for the season will determine your price for second or later orders.

## The Engagement Calendar

For 2012, the Scull-Craft Calendar continues to be produced with the same high quality paper to write on and is still considered the number one “green” calendar available. We use only one binding to keep costs as low as possible.

## Cord Hole Calendars

Calendars with the cord holes punched in them are available by special order for the “do-it-yourselfer” wishing to use their own cord or ribbon. To order cord hole punched calendars, please contact our office. **Please note: No cord or ribbon will be provided with the cord hole punched calendars.**

## Your Privacy

We do not sell or exchange the names of our customers.

## Help Us Spread the Word

We want to continue to offer the calendar to as many people as possible including you! We are most interested in contacting people in groups such as clubs, churches, hospitals, etc. who need a way to raise funds for their organization. Who would you recommend that might like to raise funds for their group and would like a free sample?

“Since 1955 I have kept our family records on Scull calendars and have over 40 years of our family history at my fingertips. We refer to them often. The Bloomfield Hills Alumnae Club of Pi Beta Phi has used Scull calendars as our fundraiser for all those years. We support the Michigan Kidney Disease Foundation.”
